

# Evolphin Zoom 7.0 is Here.

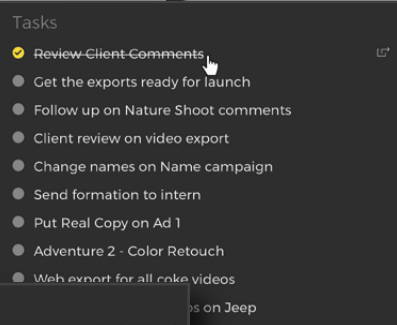

**Check out the latest new products and updates to the Evolphin family!**

Unparalleled Adobe CC Integrations, Powerful Video Workflow Capabilities and a New Asset Browser Home Screen at your fingertips.

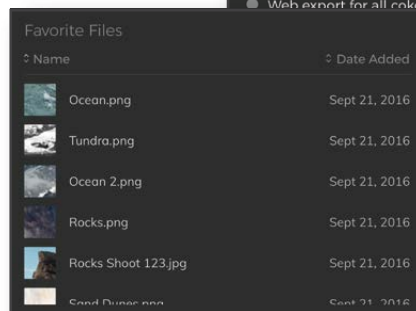

## A Brand New Asset Browser Welcome Screen

Experience a more personalized approach to organizing your assets and keeping up with daily tasks and activities.

Personalize your tasks, favorites, and more, with widgets that compliment the way you work.

Keep track of assets you're working on, and get updates on projects that you're a part of as soon as you log in with the new Activity Feed.
